Health Care

All individuals who have been granted an emergency authorization to come to or remain in Canada have access to Ontario health care support and services, including mental health services and publicly funded prescription drugs, known as the Ontario Health Insurance Plan (OHIP).

Apply for a Health Card

You must apply for OHIP in person at a ServiceOntario centre. There is no waiting period and you can apply for coverage as soon as you arrive in Ontario. For more information, call the ServiceOntario INFOLine at **1-866-532-3161**.

Coverage for Prescription Drugs

You may qualify for supports with the cost of prescription drugs under the Ontario Drug Benefit Program. Review the specific eligibility criteria here:

www.ontario.ca/page/get-coverage-prescription-drugs

If you are eligible for Emergency Assistance Ontario (see earlier), you can be issued a drug card to pay for part of your prescription drug costs if you haven't obtained an OHIP card yet.

Healthy Smiles Program

Healthy Smiles Ontario is a government-funded dental program that provides free preventive, routine, and emergency dental services for children and youth 17 years old and under from low-income households.
